

Glendale Days 2017 BBQ Bash

Food—Flights—Fun

September 16th and 17th —Glendale Airport, Kokomo, Indiana

Take a once-in-a-lifetime ride in one of our rare vintage aircraft!

The T-6 Texan, the aircraft WWII pilots mastered before flying the Fighters! \$225/person.

The Fairchild PT-26, the aircraft in which WWII pilots learned to fly! \$165/person.

Helicopter Rides are also available! See the air from a new perspective!

We also offer **Introductory Lessons** in historic airplanes where you get to take the controls and experience the world of flight with an Instructor! These flights are available in the Piper Cub or Aeronca Champ. \$50/Person.

Take the family for a fun flight over the city of Kokomo and see the sights from above! Up to 3 people at a time! \$25/Adult, \$10 per Child (ages 12 and under). All children must be accompanied by an Adult.

The New Standard D-25 open cockpit is a true blast from the past barnstorming days, a bi-plane that can take up to 4 riders at a time! \$75 per person!
